Venue	Kuala Lumpur Convention Centre, Kuala Lumpur
Expected attendance	600 persons
Organiser	Jelajah Budaya Events Sdn. Bhd.

Presentation-use notice

This consolidated file is a synthetic test artifact prepared only to demonstrate the STERAS submission and evidence-mapping flow. It is not a signed venue approval, identity document, company certificate, licence or government record, and it must not be used outside the presentation.

For the live demo, upload this same PDF once and link it to each of the nine always-required Core evidence references. A real applicant would normally upload the authentic documents separately.

DOC-A01 - Venue Permission Summary

Venue	Kuala Lumpur Convention Centre, Kuala Lumpur City Centre, 50088 Kuala Lumpur
Approved activity	Seated indoor cultural storytelling and acoustic performance
Approved period	24 October 2026, 08:00-19:00 including load-in and load-out
Public programme	14:00-18:00
Approved attendance	600 persons within the venue canonical capacity of 8,000
Venue contact	Venue Duty Manager - demonstration contact record only

Synthetic summary only; it does not replace an actual signed booking confirmation or venue permission letter.

DOC-A02 - Site and Layout Plan Summary

Occupied zones	Main hall seating area, foyer, permanent stage, two dressing rooms, backstage corridor and AV control position
Public entrances	Two foyer entrances: east and west
Emergency exits	Four: two rear hall exits and two side exits
First-aid point	Beside the main foyer, clear of the public queue
Assembly points	Primary: open plaza beside main entrance. Secondary: designated coach bay
Emergency access	Controlled service entrance and lane from Jalan Pinang
Accessibility	Step-free foyer route, wheelchair bays and assisted-evacuation path

During the presentation, explain that a real submission would include the venue floor plan with the listed points annotated.

DOC-A03 - Location Map and Current Site Record

Venue coordinates	3.1530, 101.7130
Primary road access	Jalan Pinang, Kuala Lumpur City Centre
Public arrival	Main foyer drop-off and nearby public transport connections
Emergency approach	Service entrance kept free of queueing and supplier vehicles during public hours
Site-record scope	Main entrance, foyer, hall, emergency exits, first-aid point, service lane and assembly point

This presentation pack describes the required views; real current photographs and an exact map pin must be supplied by the applicant.

DOC-B01 - Organiser Identity Demonstration Record

Responsible person	Aina Rahman
Role	Event Manager and responsible applicant
Contact number	+60 12-345 6789
Email	aina.rahman@example.com
Identity status	Synthetic presentation identity - no MyKad or passport data included

Never use fabricated identity cards in a real submission. Replace this section with the authorised applicant identity document.

DOC-B02 - Organisation Registration Demonstration Record

Legal name	Jelajah Budaya Events Sdn. Bhd.
Registration number	202601012345 (1600000-X)
Organisation type	Private limited company - synthetic presentation record
Registered address	Kuala Lumpur, Malaysia - demonstration only
Registration status	Not verified; replace with an authentic SSM company profile for real use

DOC-C01 - Event Programme

08:00-10:30	Load-in and venue setup - production crew - main hall
11:00-12:00	Technical inspection, rehearsal and soundcheck - AV manager and safety coordinator
13:00-14:00	Doors open, screening and seated admission - security and ushers
14:00-14:15	Welcome and safety briefing - event manager
14:15-17:30	Cultural storytelling and acoustic performance programme - 600 maximum attendance
17:30-18:00	Closing remarks and controlled audience departure - event manager and ushers
18:00-19:00	Audience clear, inspection and load-out - production team

DOC-C02 - Supplier and Contractor List

Venue AV team	House sound, fixed lighting and technical sign-off - confirmed for demonstration
SecurePath Services	Ten licensed security personnel, screening and backstage control - synthetic supplier
CleanSphere Services	Cleaning, waste collection and toilet checks - synthetic supplier
Appointment control	Event manager verifies appointment status, contacts and relevant licences before opening

Supplier names and appointments are synthetic. A real applicant must upload actual company details and appointment evidence.

DOC-D01 - Safety and Operational Plan

Crowd control	Admission clicker count capped at 600; seated layout; two-metre stage buffer; ushers at aisles and entrances
Security	Ten personnel conduct bag screening, patrol public zones and enforce credential-only backstage access
Medical	First-aid point with AED and trauma kit; 999 escalation; clear emergency-vehicle lane
Communications	Dedicated staff radio channel and venue PA; event manager holds stop authority
Sanitation	Toilets open throughout; bins checked before opening, during interval and after closing
Incident control	Incidents logged by the safety coordinator and escalated to the venue duty manager and emergency services as required

DOC-D02 - Emergency and Evacuation Plan

Trigger	Fire alarm, structural/electrical hazard, medical emergency, security threat or stop instruction
Immediate action	Performance stops; house lights rise; PA gives instructions; affected equipment is isolated
Evacuation route	Four marked emergency exits from the main hall to the open plaza assembly area
Wardens	Ushers sweep seating blocks; backstage marshal checks dressing rooms; accessible-seating usher assists mobility-impaired guests
Assembly	Primary open plaza; secondary coach bay if the primary location is unsafe
Emergency access	Jalan Pinang service entrance and controlled service lane remain unobstructed
Accountability	Event manager receives zone-clear reports and liaises with venue control and emergency services

End of synthetic presentation evidence pack

All facts, identities, companies and approval summaries in this document are test data. For a real application, replace every section with authentic, current and authorised evidence.
