

STERAS

Core Event Application Template

Common section for all event categories and venue settings

Application Reference	STERAS-DEMO-T01-2026-001
Event Category	Entertainment and Performance Event
Venue Setting	Indoor
Template Version	STERAS-CORE

How to complete this template

- Type answers only in the Organiser Response cells. Do not delete the question text or Field IDs.
- Use YYYY-MM-DD for dates, HH:MM (24-hour format) for times, and whole numbers for attendance counts.
- For Yes/No fields, enter exactly Yes or No. If a question does not apply, enter N/A.
- Keep each answer inside its original response field. This allows STERAS to extract and auto-fill the online application reliably.
- Supporting document requirements appear beneath the related section. Upload those documents as separate files; do not paste document scans or photographs into response cells.
- Where possible, keep the Document Reference in each supporting-file name (for example, DOC-B01_OrganiserIdentification.pdf) so STERAS can map the attachment consistently.
- Before submission, review all information for accuracy and completeness.

A. Event Information

Basic information used to identify the event, its purpose, timing, location and expected attendance.

Question / Field ID	Organiser Response										
A01 / EVENT_NAME What is the name of the event? <i>Response format: Short text</i>	Malaysia Tourism Storytelling Showcase 2026										
A02 / EVENT_PURPOSE What is the purpose of the event? <i>Response format: 1-3 sentences</i>	A seated indoor showcase combining Malaysian cultural storytelling and acoustic music in a controlled four-hour programme.										
A03 / TOURISM_RELEVANCE How does the event relate to tourism, recreation, culture or public participation? <i>Response format: 1-3 sentences</i>	Promotes domestic tourism, local heritage and inclusive public participation through performances featuring Malaysian destinations and traditions.										
A04 / EVENT_DATES What are the event start and end dates? <i>Response format: Dates in YYYY-MM-DD</i>	<table> <tr> <td>Start date</td><td>2026-10-24</td></tr> <tr> <td>End date</td><td>2026-10-24</td></tr> </table>	Start date	2026-10-24	End date	2026-10-24						
Start date	2026-10-24										
End date	2026-10-24										
A05 / OPERATING_HOURS What are the daily operating hours? <i>Response format: 24-hour time in HH:MM</i>	<table> <tr> <td>Opening time</td><td>14:00</td></tr> <tr> <td>Closing time</td><td>18:00</td></tr> </table>	Opening time	14:00	Closing time	18:00						
Opening time	14:00										
Closing time	18:00										
A06 / EVENT_ADDRESS What is the complete address of the event location? <i>Response format: Full postal address</i>	Kuala Lumpur Convention Centre, Kuala Lumpur City Centre, 50088 Kuala Lumpur, Malaysia										
A07 / TOTAL_ATTENDANCE What is the expected total attendance? <i>Response format: Whole number</i>	600										
A08 / ATTENDANCE_BREAKDOWN How many participants, spectators, performers, staff, volunteers and vendors are expected? <i>Response format: Whole numbers; enter 0 if none</i>	<table> <tr> <td>Participants</td><td>0</td></tr> <tr> <td>Spectators</td><td>530</td></tr> <tr> <td>Performers</td><td>20</td></tr> <tr> <td>Staff</td><td>35</td></tr> <tr> <td>Volunteers</td><td>15</td></tr> </table>	Participants	0	Spectators	530	Performers	20	Staff	35	Volunteers	15
Participants	0										
Spectators	530										
Performers	20										
Staff	35										
Volunteers	15										

	<table border="1"> <tr> <td>Vendors</td><td>0</td></tr> </table>	Vendors	0				
Vendors	0						
A09 / TARGET_AUDIENCE Who is the intended target audience? <i>Response format: Short text</i>	Families, students, domestic visitors, tourism stakeholders and members of the public.						
A10 / VULNERABLE_GROUPS Will children, elderly persons or persons with disabilities attend? <i>Response format: Use Yes or No</i>	<table border="1"> <tr> <td>Children</td><td>Yes</td></tr> <tr> <td>Elderly persons</td><td>Yes</td></tr> <tr> <td>Persons with disabilities</td><td>Yes</td></tr> </table>	Children	Yes	Elderly persons	Yes	Persons with disabilities	Yes
Children	Yes						
Elderly persons	Yes						
Persons with disabilities	Yes						

Required Supporting Documents - Section A

Upload these files separately with the completed template. Keep the Document Reference in the file name where possible so STERAS can map attachments reliably.

Document / Reference	Upload Requirement
DOC-A01 Venue Permission Letter	What to upload: A signed venue approval letter, booking confirmation, tenancy agreement or landowner consent letter. Official letterhead is preferred. Minimum information required: Event name, venue name and address, approved event date and time, organiser name, venue owner or manager name, signature and contact details. Recommended file name: <i>DOC-A01_VenuePermission.pdf</i>
DOC-A02 Site or Layout Plan	What to upload: An annotated floor plan or site plan in PDF, JPG or PNG format. It may be prepared digitally or drawn clearly and scanned. Minimum information required: Entrance and exit points, emergency exits, stage, seating, booths, tents, toilets, parking, crowd zones, first-aid station, assembly point and emergency-vehicle access. Recommended file name: <i>DOC-A02_SiteLayout.pdf</i>
DOC-A03 Location Map and Current Photographs	What to upload: One map showing the exact event location together with several recent photographs of the site. Minimum information required: Map pin or coordinates, surrounding roads and nearby buildings. Photographs should show the entrance, exit, event area, emergency access, parking area and surrounding conditions. Recommended file name: <i>DOC-A03_LocationMap_Photos.pdf</i>

B. Organiser Information

Information about the responsible organisation, application contact and event safety leadership.

Question / Field ID	Organiser Response
---------------------	--------------------

B01 / ORGANISATION_NAME What is the organiser's legal organisation name? <i>Response format: Short text</i>	Jelajah Budaya Events Sdn. Bhd.	
B02 / REGISTRATION_NUMBER What is the organisation registration number? <i>Response format: Short text</i>	202601012345 (1600000-X)	
B03 / RESPONSIBLE_PERSON Who is the person responsible for the application? <i>Response format: Full name</i>	Aina Rahman	
B04 / RESPONSIBLE_CONTACT What is the responsible person's contact number and email address? <i>Response format: Phone number and valid email</i>	Contact number Email address	+60 12-345 6789 aina.rahman@example.com
B05 / SAFETY_COORDINATOR Who will act as the event safety coordinator? <i>Response format: Full name and role</i>	Farid Iskandar - Event Safety Coordinator	
B06 / PRIOR_EXPERIENCE Has the organiser previously organised a similar event? <i>Response format: Yes/No + brief details if Yes</i>	Previously organised similar event? If Yes, brief details	Yes Malaysia Heritage Showcase 2025; approximately 450 attendees.
B07 / PREVIOUS_INCIDENTS Were there any incidents during previous events? <i>Response format: Yes/No + brief details if Yes</i>	Any previous incidents? If Yes, brief details	No No reportable incidents occurred at the previous event.

Required Supporting Documents - Section B

Upload these files separately with the completed template. Keep the Document Reference in the file name where possible so STERAS can map attachments reliably.

Document / Reference	Upload Requirement
----------------------	--------------------

DOC-B01 Organiser Identification	What to upload: Malaysian applicant: clear image of the front and back of MyKad, combined into one PDF or uploaded as two images. Non-Malaysian applicant: passport biodata page. Minimum information required: Full name, identification number, photograph and document validity where applicable. The name should match the responsible person stated in this template. Recommended file name: <i>DOC-B01_OrganiserIdentification.pdf</i>
DOC-B02 Organisation Registration Document	What to upload: Complete SSM registration certificate/company profile, ROS registration certificate or another official registration document. Preferably upload as one PDF. Minimum information required: Legal organisation name, registration number, organisation type, registered address and registration status. Recommended file name: <i>DOC-B02_OrganisationRegistration.pdf</i>

C. Event Operation

Operational information used to understand how the event will run, who will support it and how visitors will be managed.

Question / Field ID	Organiser Response				
C01 / EVENT_PROGRAMME Describe the complete event programme. <i>Response format: Structured summary; detailed schedule may be attached separately</i>	08:00 load-in; 11:00 technical check and rehearsal; 13:00 doors open; 14:00 opening; 14:15 storytelling and acoustic sets; 17:30 closing; 18:00 audience clear; 19:00 load-out.				
C02 / ENTRY_EXIT Describe how participants or visitors will enter and leave the event. <i>Response format: 1-4 sentences</i>	Guests enter through two signed foyer entrances, pass bag screening, and are guided to allocated seating. Four emergency exits remain clear. Ushers release seating zones in sequence after the closing.				
C03 / REGISTRATION_TICKETING Will the event require registration or ticketing? <i>Response format: Yes/No + brief details if Yes</i>	<table> <tr> <td>Registration or ticketing required?</td><td>No</td></tr> <tr> <td>If Yes, describe method</td><td>Free admission; no ticket or public registration is required.</td></tr> </table>	Registration or ticketing required?	No	If Yes, describe method	Free admission; no ticket or public registration is required.
Registration or ticketing required?	No				
If Yes, describe method	Free admission; no ticket or public registration is required.				
C04 / PEAK_OCCUPANCY What is the maximum number of people expected at one time? <i>Response format: Whole number</i>	600				
C05 / SUPPLIERS_CONTRACTORS What suppliers and contractors will be appointed? <i>Response format: Short list; detailed supplier list may be attached separately</i>	Venue AV team - sound and lighting; SecurePath Services - security; CleanSphere Services - cleaning and waste.				
C06 / DEPLOYED_PERSONNEL How many event personnel, security personnel and volunteers will be deployed? <i>Response format: Whole numbers</i>	<table> <tr> <td>Event personnel</td><td>20</td></tr> </table>	Event personnel	20		
Event personnel	20				

	Security personnel	10
	Volunteers	15
C07 / WASTE_SANITATION How will waste, sanitation and cleaning be managed? <i>Response format: 1-4 sentences</i>	Venue toilets remain open throughout. CleanSphere staff service bins before opening, during the interval and after closing; the event manager records any sanitation issue.	

Required Supporting Documents - Section C

Upload these files separately with the completed template. Keep the Document Reference in the file name where possible so STERAS can map attachments reliably.

Document / Reference	Upload Requirement
DOC-C01 Event Programme or Schedule	What to upload: A timetable in table format, uploaded as PDF or completed in the relevant structured schedule area when provided by STERAS. Minimum information required: Date, start time, end time, activity, location or stage, estimated attendance and person responsible for each activity. Recommended file name: <i>DOC-C01_EventProgramme.pdf</i>
DOC-C02 Supplier and Contractor List	What to upload: A completed table listing all appointed suppliers and contractors. Supporting appointment letters or certificates may be attached when relevant. Minimum information required: Company name, registration number, service provided, person in charge, contact number, licence or certificate details and appointment status. Recommended file name: <i>DOC-C02_SupplierContractorList.pdf</i>

D. Safety and Emergency Arrangements

Safety information used by STERAS and reviewing authorities to understand the organiser's planned controls and emergency readiness.

Question / Field ID	Organiser Response
D01 / CROWD_MANAGEMENT Describe the crowd-management arrangements. <i>Response format: 1-5 sentences</i>	Attendance is capped at 600 against the approved venue capacity. Ushers supervise both entrances, seating aisles and the two-metre stage buffer; clicker counts prevent over-admission.
D02 / SECURITY Describe the security arrangements. <i>Response format: 1-5 sentences</i>	Ten licensed security personnel conduct bag screening, patrol public areas and control credential-only backstage access. Prohibited items are refused at entry.
D03 / MEDICAL Describe the first-aid and medical arrangements. <i>Response format: 1-5 sentences</i>	A staffed first-aid point with AED and trauma kit is located beside the main foyer. The coordinator calls 999 when escalation is required; emergency access is kept clear and the nearest hospital is approximately 10 minutes away.
D04 / EMERGENCY_VEHICLE_ACCESS	Emergency vehicles use the signed service

Where will emergency vehicles enter and exit? <i>Response format: Short description</i>	entrance on Jalan Pinang and exit through the same controlled service lane.
D05 / EVACUATION What are the evacuation procedures? <i>Response format: 1-5 sentences</i>	On alarm or stop instruction, the show pauses, house lights rise and the PA gives evacuation instructions. Ushers direct guests through the four marked exits to the assembly point; wardens sweep public, backstage and accessible seating areas.
D06 / ASSEMBLY_POINTS Where are the assembly points? <i>Response format: Short text</i>	Primary assembly point: open plaza beside the main entrance. Secondary point: designated coach bay away from the service lane.
D07 / STOP_AUTHORITY Who has authority to stop or suspend the event? <i>Response format: Short text</i>	The Event Manager, Aina Rahman, may stop or suspend the event after advice from the Safety Coordinator or venue duty manager.
D08 / EMERGENCY_COMMUNICATION How will organisers communicate during an emergency? <i>Response format: 1-4 sentences</i>	Staff use dedicated radio channel 1. The venue PA provides public instructions; wardens relay messages to accessible seating and backstage areas.
D09 / DISRUPTION_ARRANGEMENTS What arrangements exist for severe weather or other disruptions? <i>Response format: 1-5 sentences</i>	The event is indoors. The team monitors official weather and transport alerts; delayed opening, programme pause or cancellation is authorised if access, utilities or public safety are affected.

Required Supporting Documents - Section D

Upload these files separately with the completed template. Keep the Document Reference in the file name where possible so STERAS can map attachments reliably.

Document / Reference	Upload Requirement
DOC-D01 Safety and Operational Plan	What to upload: A structured written plan in PDF format, signed or acknowledged by the event manager or safety coordinator. Minimum information required: Crowd control, security, medical support, traffic, communication, sanitation, weather response, incident reporting and responsibilities of staff. Recommended file name: <i>DOC-D01_SafetyOperationalPlan.pdf</i>
DOC-D02 Emergency and Evacuation Plan	What to upload: A written emergency procedure together with an evacuation map. Both may be combined into one PDF. Minimum information required: Emergency scenarios, alarm or communication method, evacuation routes, assembly points, emergency contacts, responsible personnel, emergency-vehicle access and procedures for vulnerable persons. Recommended file name: <i>DOC-D02_EmergencyEvacuationPlan.pdf</i>

Final Review

R01 / COMPLETENESS I have reviewed all responses for completeness and accuracy. <i>Response format: Enter Yes before submission</i>	Yes
---	-----

R02 / REVIEWER_NAME

Name of person completing the final review.

Response format: Full name

Aina Rahman

STERAS

Entertainment and Performance Event - Indoor

Category- and Venue-Specific Information Template

Application Reference	STERAS-DEMO-T01-2026-001
Event Category	Entertainment and Performance Event
Venue Setting	Indoor
Template Version	STERAS-T01-ENT-IN-v2.0

Purpose: Complete this template together with the STERAS Core Event Application. Do not repeat general event, organiser, operational, crowd-management, medical or evacuation information already provided in the Core template. Answer only the additional questions below that arise from this event category and indoor venue setting.

Risk focus for this template: audience congestion near performance areas, stage and production safety, sound/lighting/rigging systems, electrical hazards, restricted backstage access, indoor occupancy and emergency egress.

Extraction rule: Type answers only inside the Organiser Response cells. Keep each response in its original field so STERAS can map it reliably to the auto-filled application form.

A. Performance Format and Personnel

Questions in this section describe the performance itself, the people involved and how the audience interacts with the performance area.

Question / Field ID	Organiser Response
T01-A01 / PERFORMANCE_TYPE What type of entertainment or performance will be conducted? <i>Response format: Concert / Theatre / Live performance / Fashion show / Other</i>	Type: Live performance
T01-A02 / PERFORMANCE_FORMAT Describe the main performance format, including any features that affect audience or stage safety. <i>Response format: 2-5 sentences</i>	A moderated sequence of cultural storytelling and acoustic music on the venue permanent stage. The audience remains seated, no performer enters the audience area, and no special effects or moving stage machinery are used.
T01-A03 / PERFORMER_CREW_COUNTS State the number of local performers, foreign performers and production/technical crew involved. <i>Response format: Whole numbers; enter 0 if none</i>	Local performers: 20 Foreign performers: 0 Production / technical crew: 12
T01-A04 / FOREIGN_PERFORMERS Are any foreign performers, artists or performance groups involved? If Yes, state their nationality or group details. <i>Response format: Yes / No + details if Yes</i>	Foreign performers involved: No Details: All performers are Malaysian residents.
T01-A05 / PERFORMANCE_AREAS Describe each stage, runway or performance area that will be used. <i>Response format: For each area: type, approximate dimensions/height, permanent or temporary</i>	One permanent indoor stage, approximately 12 m wide by 8 m deep and 1.2 m high. No temporary platform, runway or secondary performance area is used.
T01-A06 / AUDIENCE_CONFIGURATION How will the audience be arranged in relation to the performance	Arrangement: Seated

area? <i>Response format: Seated / Standing / Mixed + capacity of each zone</i>	Seated capacity: 600 Standing capacity: 0
T01-A07 / FRONT_STAGE_CONTROL How will the front-of-stage, runway or performance boundary be separated from the audience, especially in standing areas? <i>Response format: Describe barriers, buffer zones, pit access or other controls</i>	A two-metre clear buffer separates the first seating row from the permanent stage. Ushers supervise both sides; there is no standing pit.
T01-A08 / INTERACTIVE_SEGMENTS Will audience members enter the stage/performance area or participate in interactive segments? If Yes, describe how access will be controlled. <i>Response format: Yes / No + controls if Yes</i>	Interactive audience access: No Controls: Audience access to the stage is not permitted.
T01-A09 / BACKSTAGE_RESTRICTION How will backstage, dressing rooms, green rooms and technical areas be restricted from public access? <i>Response format: 1-4 sentences</i>	Backstage doors remain locked from public areas and are controlled by credential checks. Only performers, technical crew, venue staff and authorised organisers receive access badges.
T01-A10 / LOAD_REHEARSAL_SCHEDULE State the planned load-in, rehearsal/soundcheck and load-out periods. <i>Response format: Date and time for each period</i>	Load-in: 2026-10-24 08:00 Rehearsal / soundcheck: 2026-10-24 11:00 Load-out: 2026-10-24 19:00
T01-A11 / SCENERY_PROPS_MACHINERY Will scenery, large props, moving stage equipment, fashion-runway structures or similar production elements be used? If Yes, describe the elements and controls. <i>Response format: Yes / No + brief details</i>	Used: No Details / controls: Only small handheld cultural props are used; no moving equipment or temporary scenery.

B. Stage, Technical and Production Safety

Questions in this section focus on the technical systems that are characteristic of indoor entertainment and performance events.

Question / Field ID	Organiser Response
T01-B01 / SOUND_PA_SYSTEM Describe the sound/PA system and identify who is responsible for operating it. <i>Response format: 1-4 sentences</i>	The venue house PA provides speech and acoustic-music reinforcement. The venue AV manager supervises operation and a qualified audio technician remains at the control position.
T01-B02 / LIGHTING_RIGGING Describe lighting, truss, rigging and any equipment suspended above the stage, runway or audience areas. <i>Response format: 1-5 sentences</i>	Only fixed venue lighting positions are used. No temporary truss, flown scenery or additional equipment is suspended above audience areas.
T01-B03 / ELECTRICAL_DISTRIBUTION Describe how production equipment will receive electrical power, including temporary distribution boards, extension cabling or additional power sources. <i>Response format: 1-5 sentences</i>	Production equipment uses venue fixed outlets and protected circuits. All portable equipment is PAT-tested; no generator or temporary distribution board is installed.
T01-B04 / BACKUP_POWER What backup power arrangement is provided for critical production, communication or safety equipment if normal power fails? <i>Response format: 1-4 sentences</i>	Venue emergency power supports exit lighting and the PA. Battery radios and rechargeable task lights remain available for staff communication.
T01-B05 / CABLE_TRIP_CONTROL How will power, audio, lighting and communication cables be routed or protected to prevent trip hazards and blocked exit paths? <i>Response format: 1-4 sentences</i>	Cables use overhead routes or rated cable ramps along controlled edges. No cable crosses an aisle, emergency exit or accessible route.
T01-B06 / SPECIAL_EFFECTS	Special effects used: No

Will smoke/haze, lasers, flame effects, fireworks/pyrotechnics, confetti or other special effects be used? <i>Response format: Yes / No + list all effects if Yes</i>	Effects: None - no smoke, haze, lasers, flame, pyrotechnics or confetti.
T01-B07 / TECHNICAL_INSPECTION Who will inspect or verify the stage, rigging, lighting, sound and electrical equipment before the venue opens to the public? <i>Response format: Name/role + inspection or sign-off method</i>	The venue AV manager and Event Safety Coordinator complete and sign the pre-opening technical checklist after sound, lighting, power and exit-path inspection.
T01-B08 / EQUIPMENT_FAILURE_RESPONSE What will the production team do if critical stage, lighting, sound, rigging or electrical equipment fails during the event? <i>Response format: 1-4 sentences</i>	The performance stops, house lights rise and the affected equipment is isolated. The event resumes only after the venue AV manager confirms safe operation; otherwise the programme is cancelled.

C. Indoor Venue and Audience Safety

Questions in this section capture indoor-specific occupancy, egress and audience-control information that is not repeated in the Core template.

Question / Field ID	Organiser Response
T01-C01 / INDOOR_VENUE_TYPE What type of indoor venue will be used for the performance? <i>Response format: Hall / Convention centre / Enclosed stadium / Theatre / Other</i>	Venue type: Convention centre
T01-C02 / APPROVED_CAPACITY What is the approved maximum occupancy of the indoor venue or the specific event area being used? <i>Response format: Whole number</i>	Approved capacity: 8000
T01-C03 / OCCUPIED_AREAS Which halls, floors, seating blocks, balconies, backstage zones or	Main hall seating area, foyer, permanent stage, two dressing rooms, backstage corridor and technical control

internal areas will be occupied by the event? <i>Response format: Short list</i>	position.
T01-C04 / PUBLIC_ENTRANCES How many public entrances will operate for this event, and where are they located? <i>Response format: Whole number + locations</i>	Number of entrances: 2 Locations: Main foyer east and west doors.
T01-C05 / EMERGENCY_EXITS How many emergency exits serve the occupied event area, where are they located, and how will the organiser ensure they remain unobstructed? <i>Response format: Whole number + locations + control method</i>	Number of exits: 4 Locations: Two rear hall exits and two side exits. Clearance control: Ushers inspect and log all exits before doors open and keep a one-metre clear zone throughout.
T01-C06 / AISLE_EGRESS_CONTROL How will aisles, corridors, stairways and exit paths be kept clear while equipment, queues and audiences are present? <i>Response format: 1-4 sentences</i>	Floor markings define clear aisles. Ushers conduct 30-minute checks, and equipment, queues and cases are prohibited from all egress routes.
T01-C07 / STANDING_ZONE_LIMIT If standing/pit areas are used, what capacity limit will apply to each area and how will that limit be monitored? <i>Response format: Enter N/A if no standing area</i>	N/A - the event is fully seated and has no standing or pit area.
T01-C08 / ENTRY_SCREENING What indoor entry-screening or prohibited-item controls will be used specifically for the performance? <i>Response format: 1-4 sentences</i>	Security performs visual bag screening and refuses weapons, flammable materials, glass containers, outside alcohol and oversized bags.
T01-C09 / ACCESSIBLE_AUDIENCE What accessible seating, viewing and assisted-evacuation arrangements are available for persons with disabilities or reduced	Wheelchair bays and companion seating are available on the main floor via a step-free route. Assigned ushers support assisted

mobility? <i>Response format: 1-5 sentences</i>	evacuation to the protected assembly route.
T01-C10 / VENTILATION_HEAT How will indoor ventilation/air-conditioning and heat buildup be managed during peak audience periods? <i>Response format: 1-4 sentences</i>	The venue central HVAC operates throughout occupancy. The duty manager monitors hall temperature and airflow and may pause admission if comfort or ventilation deteriorates.
T01-C11 / EMERGENCY_LIGHTING What emergency lighting will remain available in audience, backstage and exit areas if normal lighting fails? <i>Response format: 1-4 sentences</i>	Battery-backed venue emergency lighting covers the audience hall, backstage corridor, foyer and all exit signs. It is tested before opening.
T01-C12 / INDOOR_COOKING_FLAME Will cooking, candles, gas cylinders, open flame or similar heat sources be used inside the occupied venue? <i>Response format: Yes / No + location and controls if Yes</i>	Used: No Location / controls: None - no cooking, candles, gas cylinders or open flame.
T01-C13 / TEMPORARY_STRUCTURES Will temporary stages, platforms, partitions, trusses, booths or similar structures be installed inside the venue? <i>Response format: Yes / No + describe if Yes</i>	Temporary structures: No Details: The permanent venue stage and existing rooms are used without temporary structures.
T01-C14 / FOOD_BEVERAGE_INSIDE Will food or beverage service operate inside the performance venue? If Yes, state where it will be located relative to audience and technical areas. <i>Response format: Yes / No + location if Yes</i>	Food / beverage service: No Location / arrangement: No food or beverage service operates inside the performance venue.
T01-C15 / ALCOHOL_SERVICE Will alcohol be sold or served inside the venue? If Yes, describe the service area and access controls.	Alcohol sold / served: No Service area / controls: No alcohol is sold, supplied or served.

<i>Response format: Yes / No + details if Yes</i>	
T01-C16 / INDOOR_DRONE Will any drone be operated inside the venue or above an audience/performance area? <i>Response format: Yes / No + purpose/area if Yes</i>	Drone operation: No Purpose / area: No drone operation is planned.
T01-C17 / LARGE_HIGH_RISK Has the venue, organiser or reviewing authority classified this event as large-scale, high-crowd or otherwise high-risk? <i>Response format: Yes / No + basis if Yes</i>	Classified high-risk: No Basis / classification: The seated 600-person event has not been classified as large-scale, high-crowd or high-risk.

D. Conditional Supporting Evidence

Do not prepare separate STERAS templates for these documents. Upload the evidence only when the stated condition applies, in addition to the core supporting documents already requested in the Core Event Application.

Document / Reference	When it is required / What to upload
T01-DOC-01 Foreign Performer Evidence	Required when T01-A04 = Yes. Upload PUSPAL approval and relevant immigration or professional-visit documents, where applicable.
T01-DOC-02 Pyrotechnics / Special-Effects Evidence	Required when T01-B06 includes fireworks, pyrotechnics or flame effects. Upload the activity declaration, operator appointment, relevant approval/certification, safety-zone plan and insurance.
T01-DOC-03 Indoor Capacity and Fire-Safety Evidence	Required for a large indoor/high-crowd event or when requested by the reviewing authority. Upload the venue-capacity document, fire-safety plan, emergency-exit plan and Bomba support/approval where required.
T01-DOC-04	Required when T01-C13 = Yes. Upload temporary-structure

Temporary Structure Evidence	permit or relevant approval, structural drawings, installation details and engineer certification where required.
T01-DOC-05 Food and Beverage Vendor Evidence	Required when T01-C14 = Yes and vendors are involved. Upload vendor list, relevant food-premises/trading licences and required food-safety documentation.
T01-DOC-06 Alcohol Sale / Service Approval	Required when T01-C15 = Yes. Upload the relevant liquor licence or temporary sale approval where required.
T01-DOC-07 Drone Operation Evidence	Required when T01-C16 = Yes. Upload drone-operation approval and flight plan where required.
T01-DOC-08 High-Risk / Large-Scale Event Evidence	Required when T01-C17 = Yes or when requested by the reviewing authority. Upload public-liability insurance, medical-provider agreement, ambulance arrangement and professional security plan.
T01-DOC-09 Ticketing Evidence	Required when the Core Event Application identifies the event as ticketed. Upload ticketing information, a ticket sample and applicable state entertainment-duty documentation.
