

STERAS

Exhibition, Convention and Promotional Event - Indoor

Category- and Venue-Specific Information Template

Application Reference	[Assigned by STERAS]
Event Category	Exhibition, Convention and Promotional Event
Venue Setting	Indoor
Template Version	STERAS-T10-EXP-IN-v1.0

Purpose: Complete this template together with the STERAS Core Event Application. Do not repeat general event, organiser, operational, crowd-management, medical or evacuation information already provided in the Core template. Answer only the additional questions below that arise from this exhibition, convention and promotional event category and indoor venue setting.

Risk focus for this template: booth and display safety, temporary installations, electrical loading, suspended or heavy displays, live demonstrations, visitor concentration around attractions, indoor circulation and emergency-exit clearance.

Extraction rule: Type answers only inside the Organiser Response cells. Keep each response in its original field so STERAS can map it reliably to the auto-filled application form.

A. Exhibition Format, Exhibitors and Demonstrations

Questions in this section capture exhibition- and promotion-specific activities, exhibitors, demonstrations and visitor interaction that are not repeated in the Core template.

Question / Field ID	Organiser Response
T10-A01 / EVENT_FORMAT_TYPE What type of indoor exhibition, convention or promotional format will be conducted? <i>Response format: Tourism expo / Trade exhibition / Convention / Conference / Product showcase / Promotional activation / Roadshow stop / Other</i>	Type: [Select / enter]
T10-A02 / EXHIBITOR_BOOTH_COUNT State the number of exhibitors, booths, display stands or promotional activation areas planned inside the venue. <i>Response format: Whole numbers</i>	Exhibitors / organisations: [0] Booths / display stands / activation areas: [0]
T10-A03 / EXHIBITION_ZONE_TYPES What types of exhibition or activity zones will be provided? <i>Response format: List the main zones, e.g. booths, seminar area, product-demo area, networking area, launch stage</i>	[Enter response]
T10-A04 / LIVE_DEMONSTRATIONS Will any exhibitor conduct live product demonstrations, workshops, testing, sampling or interactive activities? If Yes, identify the activities and where they will occur. <i>Response format: Yes / No + activity/location if Yes</i>	Live / interactive demonstrations: [Yes / No] Activity: [Enter details] Location: [Enter location]
T10-A05 / MACHINERY_MOVING_EQUIPMENT Will machinery, vehicles, robotic equipment, moving displays or other powered equipment operate or move within the public exhibition area? If Yes, describe the equipment and operating controls. <i>Response format: Yes / No + equipment/control details if Yes</i>	Powered / moving equipment used: [Yes / No] Equipment: [Enter details] Operating controls: [Enter details]
T10-A06 / DEMO_HAZARD_OUTPUTS Will any demonstration generate heat, flame, sparks, fumes, smoke, high noise, pressurised discharge or similar hazards? If Yes, identify the hazard and the affected area. <i>Response format: Yes / No + hazard/area if Yes</i>	Hazardous demo output: [Yes / No] Hazard type: [Select / enter] Affected area: [Enter location / details]
T10-A07 / PRODUCT_SAMPLING_HANDOUTS Will products, samples, food/beverages, gifts or promotional items be distributed to visitors? If Yes, state what will be distributed and	Items distributed: [Yes / No] Items: [Enter details]

how distribution will be controlled. <i>Response format: Yes / No + items/control details if Yes</i>	Distribution control: [Enter details]
T10-A08 / VISITOR_INTERACTION Will visitors enter, sit in, operate, touch, test or otherwise interact directly with displayed products or equipment? If Yes, describe the interaction and supervision method. <i>Response format: Yes / No + interaction/supervision details if Yes</i>	Direct visitor interaction: [Yes / No] Interaction / supervision: [Enter details]
T10-A09 / PROMOTIONAL_CROWD_HOTSPOTS Identify any product launch, celebrity/guest appearance, giveaway, demonstration, signing session or other attraction expected to create a concentrated visitor gathering. <i>Response format: Activity + location + estimated local crowd</i>	Activity / attraction: [Enter details] Location: [Enter location] Estimated people at hotspot: [0]
T10-A10 / EXHIBITOR_SAFETY_BRIEFING Will exhibitors, booth staff and contractors receive a briefing on venue rules, booth restrictions, electrical safety, loading access and emergency-exit clearance? If Yes, state who will be briefed and when. <i>Response format: Yes / No + personnel/timing if Yes</i>	Briefing provided: [Yes / No] Personnel: [Enter details] Timing: [Enter timing]
T10-A11 / INSTALLATION_REMOVAL_WINDOWS State the planned installation/setup and dismantling/removal windows for exhibitor booths, displays and promotional equipment. <i>Response format: Date/time for setup + date/time for dismantling</i>	Installation / setup: [YYYY-MM-DD HH:MM] Dismantling / removal: [YYYY-MM-DD HH:MM]

B. Booth, Display, Electrical and Installation Safety

Questions in this section focus on booths, temporary structures, suspended displays, electrical supply, large equipment and live demonstration hazards.

Question / Field ID	Organiser Response
T10-B01 / BOOTH_STRUCTURE_TYPE What types of booths, stands, partitions, platforms or promotional structures will be installed? <i>Response format: Standard shell scheme / Custom-built booth / Platform / Partition / Promotional structure / Mixed / Other</i>	Structure type: [Select / enter] Number of custom / non-standard structures: [0]
T10-B02 / LARGE_TALL_STRUCTURES Will any booth, display, wall, arch, tower or structure be unusually large, tall or heavy? If Yes, describe its dimensions and how stability	Large / tall / heavy structure: [Yes / No] Dimensions / weight: [Enter

will be ensured. <i>Response format: Yes / No + dimensions/stability details if Yes</i>	details] Stability method: [Enter details]
T10-B03 / SUSPENDED_RIGGED_ITEMS Will banners, lighting, screens, trusses, signs, decorations or other items be suspended or rigged overhead? If Yes, identify the items and rigging method. <i>Response format: Yes / No + items/rigging method if Yes</i>	Suspended / rigged items: [Yes / No] Items: [Enter details] Rigging method: [Enter details]
T10-B04 / ELECTRICAL_REQUIREMENTS Describe the electrical requirements for exhibitor booths, displays, AV systems and demonstrations, including any high-load equipment. <i>Response format: Supply type + estimated load / high-load equipment</i>	Electrical supply: [Select / enter] Estimated total / significant load: [Enter value / details] High-load equipment: [Enter details or N/A]
T10-B05 / CABLE_MANAGEMENT How will power, data and AV cables crossing or approaching public circulation areas be routed and protected? <i>Response format: Cable ramps / overhead routing / underfloor / barriers / other + details</i>	Method: [Select / enter] Details: [Enter details]
T10-B06 / TEMPORARY_POWER_BATTERY Will temporary power units, large batteries, UPS systems or other portable power equipment be used indoors? If Yes, describe the equipment and placement controls. <i>Response format: Yes / No + equipment/location if Yes</i>	Temporary / portable power: [Yes / No] Equipment: [Enter details] Placement / controls: [Enter details]
T10-B07 / LARGE_HEAVY_DISPLAYS Will vehicles, machinery, sculptures, display cases or other heavy items be placed inside the venue? If Yes, state the items and how floor loading, positioning and movement will be controlled. <i>Response format: Yes / No + item/floor/movement details if Yes</i>	Heavy display items: [Yes / No] Items: [Enter details] Floor / movement controls: [Enter details]
T10-B08 / DEMO_EXCLUSION_CONTROLS Where live demonstrations or powered equipment are used, how will visitors be separated from moving, hot, sharp or otherwise hazardous parts? <i>Response format: Enter N/A if no such demonstrations</i>	[Enter response]
T10-B09 / SPECIAL_EFFECTS Will smoke effects, lasers, high-intensity lighting, flame effects or other special effects be used for a launch, presentation or promotional activity? If Yes, identify the effects and controls.	Special effects used: [Yes / No] Effects: [Enter details] Controls: [Enter details]

<i>Response format: Yes / No + effects/controls if Yes</i>	
T10-B10 / FOOD_BEVERAGE_SERVICE Will exhibitors or vendors prepare, heat, sample or serve food or beverages within exhibition areas? If Yes, describe the method and designated area. <i>Response format: Yes / No + method/location if Yes</i>	Food / beverage service: [Yes / No] Method: [Select / enter] Area: [Enter location]
T10-B11 / BOOTH_PREOPEN_INSPECTION Will booths, displays, electrical installations and demonstration areas be inspected before visitors are admitted? If Yes, state who is responsible and when the inspection occurs. <i>Response format: Yes / No + responsible role + timing</i>	Pre-opening inspection: [Yes / No] Responsible person / role: [Enter role / name] Inspection timing: [Enter timing]
T10-B12 / DISPLAY_STORAGE_PACKAGING Where will exhibitor stock, spare equipment, packaging, crates and unused promotional materials be stored during event operation? <i>Response format: Storage location + control method</i>	Storage location: [Enter location] Storage control: [Enter details]
T10-B13 / EQUIPMENT_SHUTDOWN For powered demonstration or display equipment, describe how equipment can be isolated or stopped if a malfunction or unsafe condition occurs. <i>Response format: Enter N/A if no powered equipment</i>	[Enter response]

C. Indoor Visitor, Venue and Operational Interfaces

Questions in this section capture indoor-specific visitor concentration, circulation, loading access, storage and venue interface controls relevant to exhibitions, conventions and promotional events.

Question / Field ID	Organiser Response
T10-C01 / INDOOR_EXHIBITION_VENUE_TYPE What type of indoor venue or facility will be used? <i>Response format: Exhibition hall / Convention centre / Hotel ballroom / Enclosed stadium / Shopping mall / Indoor public space / Other</i>	Venue type: [Select / enter]
T10-C02 / APPROVED_CAPACITY State the approved maximum capacity of the indoor venue and, where separate halls or rooms are occupied, the relevant capacity of each area. <i>Response format: Whole number(s) + area names where applicable</i>	Overall approved capacity: [0] Hall / room capacities: [Enter details]
T10-C03 / BOOTH_AISLE_INTERFACE	[Enter response]

How will booth boundaries, display projections, queues and promotional activities be kept within allocated areas and clear of visitor aisles, corridors and emergency exits? <i>Response format: 2-5 sentences</i>	
T10-C04 / HOTSPOT_QUEUE_CONTROL For the visitor-concentration points identified in T10-A09, describe the local queue, barrier, timed-entry or stewarding controls used to prevent congestion. <i>Response format: Queue lanes / barriers / timed access / stewarding / local capacity / other</i>	Control method: [Select / enter] Details: [Enter details]
T10-C05 / LOADING_PUBLIC_SEPARATION How will exhibitor loading/unloading, material movement and contractor access be separated from visitor circulation during event operation? <i>Response format: Location + timing + separation method</i>	Loading / service access: [Enter location] Operating window: [Enter timing] Separation method: [Enter details]
T10-C06 / LARGE_ITEM_MOVEMENT Will large displays, vehicles, machinery or heavy equipment need to move through indoor public areas after initial setup? If Yes, describe the movement timing and exclusion arrangement. <i>Response format: Yes / No + timing/exclusion if Yes</i>	Post-setup movement required: [Yes / No] Timing: [Enter timing] Exclusion arrangement: [Enter details]
T10-C07 / VENTILATION_DEMO_OUTPUTS Where demonstrations create heat, fumes, smoke, odour or other air-quality impacts, how will ventilation or extraction be managed? <i>Response format: Enter N/A if no relevant demonstration</i>	[Enter response]
T10-C08 / ACCESSIBLE_BOOTH_AREAS Are any booths, platforms, demonstration zones or presentation areas difficult to access for persons with mobility limitations? If Yes, describe the alternative access or viewing arrangement. <i>Response format: Yes / No + alternative arrangement if Yes</i>	Access limitation present: [Yes / No] Alternative access / viewing: [Enter details]
T10-C09 / REGISTRATION_ENTRY_EQUIPMENT Will registration kiosks, scanning stations, promotional arches, display units or equipment be positioned near venue entrances? If Yes, explain how entrance flow and exit width will remain clear. <i>Response format: Yes / No + entrance-flow controls if Yes</i>	Entrance equipment / structures: [Yes / No] Flow / clearance controls: [Enter details]
T10-C10 / ALCOHOL_SERVICE Will alcohol be sold or served as part of an exhibitor, networking or promotional activity?	Alcohol sold / served: [Yes / No] Service area: [Enter location]

Response format: Yes / No + service area if Yes	or N/A]
T10-C11 / INDOOR_DRONE_OPERATION Will any drone or remotely piloted aircraft be operated inside the venue for demonstration, filming or promotional activity? If Yes, describe the operating area and separation controls. Response format: Yes / No + operating area/control details if Yes	Indoor drone operation: [Yes / No] Operating area / separation controls: [Enter details]
T10-C12 / MULTI_HALL_TRANSITION Will visitors move between multiple halls, rooms or levels as part of the exhibition or convention? If Yes, identify the transition points most likely to experience congestion and how they will be managed. Response format: Yes / No + locations/controls if Yes	Multiple halls / levels used: [Yes / No] Congestion points / controls: [Enter details]
T10-C13 / LARGE_HIGH_RISK Has the venue, organiser or reviewing authority classified the indoor exhibition, convention or promotional event as large-scale, high-crowd or otherwise high-risk? Response format: Yes / No + basis if Yes	Classified high-risk / large-scale: [Yes / No] Basis / classification: [Enter details]

D. Conditional Supporting Evidence

Do not prepare separate STERAS templates for these documents. Upload the evidence only when the stated condition applies, in addition to the core supporting documents already requested in the Core Event Application.

Document / Reference	When it is required / What to upload
T10-DOC-01 Temporary Structure / Booth Evidence	Required when T10-B01 or T10-B02 involves custom, temporary, large or non-standard structures. Upload the relevant temporary-structure permit/approval, structural drawings, installation details and engineer certification where required.
T10-DOC-02 Indoor Capacity and Fire-Safety Evidence	Required when T10-C13 = Yes, the event is high-crowd, or when requested by the reviewing authority. Upload the venue-capacity document, fire-safety plan, emergency-exit plan and Bomba support/approval where required.
T10-DOC-03 Food and Beverage Vendor Evidence	Required when T10-B10 = Yes and food/beverage vendors are involved. Upload the vendor list, relevant food-premises/trading licences and required food-safety documentation.
T10-DOC-04 Ticketing Evidence	Required when the Core Event Application states that the event is ticketed. Upload ticketing information, ticket sample and applicable state entertainment-duty documentation where required.
T10-DOC-05	Required when T10-C10 = Yes and a licence or temporary

Alcohol Sale / Service Evidence	approval is required. Upload the relevant liquor licence or temporary sale approval.
T10-DOC-06 Drone Operation Evidence	Required when T10-C11 = Yes and regulatory approval is required. Upload the relevant drone-operation approval and flight/operation plan.
T10-DOC-07 High-Risk / Large-Scale Event Evidence	Required when T10-C13 = Yes or when requested by the reviewing authority. Upload public-liability insurance, medical-provider agreement, ambulance arrangement and professional security plan.
