Cultural, Heritage and Festival Event - Outdoor Fixed-Site

Category- and Venue-Specific Information Template

Application Reference	[Assigned by STERAS]
Event Category	Cultural, Heritage and Festival Event
Venue Setting	Outdoor Fixed-Site
Template Version	STERAS-T08-CUL-OF-v1.0

Purpose: Complete this template together with the STERAS Core Event Application. Do not repeat general event, organiser, operational, crowd-management, medical or evacuation information already provided in the Core template. Answer only the additional questions below that arise from this cultural, heritage and festival event category and outdoor fixed-site venue setting.

Risk focus for this template: cultural and ceremonial activities, cultural sensitivities, outdoor stalls and food preparation, temporary structures, fire hazards, weather exposure, ground/site conditions and concentrated visitor areas.

Extraction rule: Type answers only inside the Organiser Response cells. Keep each response in its original field so STERAS can map it reliably to the auto-filled application form.
